---

## Career Objective

---

Detail-oriented and dynamic software engineering student with a strong foundation in object-oriented programming and relational databases. Highly adaptable and quick to learn new technologies in fast-paced, agile environments. Showcases strong collaboration skills, advanced problem-solving capabilities, and a user-first mindset in the creation of robust, scalable, and well-documented software systems.

## Skills

---

**Programming Languages** : C, C++, J2SE

**Web Development** : HTML, CSS, JavaScript

**Database** : MySQL

**Tools** : Git/Github, Linux

**Core Concept** : DSA, RDBMS, Operating System

**Having Good knowledge of Object Oriented Programming**

## Experience

---

### Frontend Developer Intern

Glocal View, Noida      March 2025 – April 2025

- Built key UI components using React, Vite, and Tailwind CSS.
- Implemented Sign In/Sign Up pages with Formik-based validation and authentication checks.
- Integrated APIs and managed state using Redux for dynamic data rendering.

## Education

---

**Bansal Institute of Science and Technology**,  
Bhopal, Madhya Pradesh      2022 – 2026

*Bachelor of Technology in Computer Science*  
*CGPA: 6.73 (till 6th semester)*

**Shri Sitaram Harijan College**,  
Bihar      2020 – 2022

*Class XII ; Percentage: 74.4%*

**St. Dominic Savio's High School**,  
Patna, Bihar      2019 – 2020

*Class X ; Percentage: 63%*

## Projects

---

### PresenSee – Face Recognition Attendance System      Self Project

- A lightweight attendance system using face recognition to identify users and log daily attendance.
- Prevents duplicate entries and stores daily logs.
- Tools: Python, OpenCV

### Cybersecurity Quiz App      Self Project

- A responsive web-based quiz platform designed to test and improve cybersecurity awareness.
- Includes multiple choice questions, scoring logic, and performance feedback.
- Tools: HTML, CSS, JavaScript

## Certifications

---

- Completed **SQL and Relational Databases 101** by IBM Developer Skills Network
- Completed **IoT-Network Specialist** by Reliance Foundation Skilling Academy
- Completed **Cloud Computing** by NPTEL
